Put simply: HUON grows some of the finest salmon in the world.

HUON is a highly innovative Australian company which maintains a genuine soul and love of produce. Our commitment is to always strive to do our best and produce the best, in the best place in the world.

### HUON METHOD: OUR INNOVATIVE SALMON FARMING PHILOSOPHY

- ✓ **Stress Free** - Raised to mirror the natural life of salmon in the wild.
- ✓ **Well Nourished** - The highest quality feed dispensed by our ingenious feeding system.
- ✓ **Kept Clean and Healthy** - Nurtured in the most spacious enclosures in the world.
- ✓ **Raised with Sustainable Practices** - In the crystal clear open waters of Tasmania.

Try it – you'll taste the difference.

# Hot Smoked Range

## HUON Premium Hot Smoked Salmon

Salmon fillets are dry salted and left to cure, then smoked with red-gum logs in kilns using traditional slow smoking methods. The fillets are double-smoked which helps retain the natural oils of the salmon. They are boneless and ready to serve.
